Fire and Fuels Management Plan

Public Meetings

You are invited to attend a public meeting to raise issues, concerns, or questions regarding a proposal to reduce excess fuels and manage fire within your National Park. Under the National Environmental Policy Act (NEPA), a draft Fire and Fuels Management Environmental Assessment (EA) has been prepared and placed on the parks website at www.nps.gov/chat under Management Docs.

Written comments and questions are welcome and should be submitted by July 12, 2004 to:
